

Dear Parents,

On Tuesday, Nov. 21st, Preschool will be having their Thanksgiving Feast. We will be gathering together with all families to share a classroom meal. During this time, students will be singing songs and demonstrating art projects that have been completed.

We will be eating in the MES Multi-Purpose Room at 10:15-11:15am/1:45-2:45pm. We are asking each family to bring in **1 appetizer or dessert** for the feast. If you could please attach the recipe or description of the ingredients in the dish you are going to be bringing. This will help our students who have allergies. I will be putting together a classroom cookbook for each of the families. The Preschool Staff will be supplying turkey, juice, and utensils. Feel free to invite **2-3 family members** to attend. This will be the ending activity for our thanksgiving study. We hope you can attend!!!
